

World Traveller bundles

1. World Traveller is available to all Orange Pay Monthly customers connected to an Orange Personal Service Plan.
2. Roaming must be activated on your phone in order for World Traveller to be applied to your account. Connection to roaming which is an additional service is subject to status.

The text message to subscribe to the offer must be sent by midnight on the date specified in your message from Orange. Alternatively, you may call Customer Services on 150 to purchase the offer. By texting YES or otherwise purchasing the offer, you agree that Orange can apply the Bundle to your account and that you can be charged for the Bundle (£5)
4. The World Traveller Bundle will be activated within seven days of the customer requesting the Bundle and customers will be notified by text when the product is ready to use.
5. World Traveller provides discounted rates on calls made abroad, calls received abroad and standard person-to-person text messages sent from abroad. The rate of discount varies by roaming zone. Please refer to orange.co.uk/abroad for the most up-to-date price information.
6. World Traveller will be charged pro rata from the date the Bundle is applied to your account until your next bill date, and thereafter will be charged at £5 a month inc VAT.
7. If for any reason you would like Orange to remove World Traveller from your account, simply call 150 from your Orange phone and give at least 10 days' notice before your next bill is due. You will revert to your standard service plan rates for roaming usage once World Traveller has been removed from your account.
8. Orange reserves the right to amend, vary or cancel these terms and conditions or to withdraw World Traveller at any time on reasonable notice.
9. Service is subject to the Standard Terms and Conditions for the Supply of Orange Network Services, a copy of which can be found at the back of your Orange phone User Guide. Where there is any inconsistency between these Terms and Conditions and the Standard Terms and Conditions for the Supply of Orange Network Services, the latter will prevail.
