- 7. Inclusive WiFi** - use of BT Openzone hotspots in the UK only. Fair Usage policy of 3GB applies. Usage above 3GB per month may result in suspension of Wifi services and/or suspension of your account. The 3GB Fair Usage Policy does not apply when using your iPhone on domestic WiFi. Note however that some domestic broadband packages have download limits and customers should be aware that using the iPhone to access the web through domestic WiFi will contribute to domestic data usage.
