

Pay Monthly 6 month and 12 month SIM-only iPhone Plans Terms and Conditions

Connection is subject to status, a minimum term contract stated in your service plan and acceptance of the network terms available at orange.co.uk/mobileterms. All services are within the UK only unless otherwise stated. These terms apply to you if you are a new pay monthly customer or an existing customer who moves onto one of our current range of plans. Please see your service plan to see which of these great benefits you will enjoy:

- 1. SIM only plan:** If you decide to upgrade or cancel your contract you'll need to give 30 days notice to us.
- 2. Handset unlocking** Before you can use your Orange SIM in your existing phone you may need to get your previous network to unlock the handset. A charge may be payable.
- 3. SIMO 12 month plans** – If you're an existing pay monthly customer upgrading to an 18 month contract with Orange you may be eligible for our 12 month SIMO iPhone plan. We will add a second connection to your existing account. You'll receive one bill per month detailing the use on each line.
- 4. Inclusive minutes** - calls to UK landlines (beginning 01, 02, 03), UK mobile networks.
- 5. Inclusive texts** - person to person texts in the UK. Text message delivery notifications not included.
- 6. Inclusive WiFi** - use of BT Openzone hotspots in the UK only. Fair Usage policy of 3GB applies. Usage above 3GB per month may result in suspension of Wifi services and/or suspension of your account. The 3GB Fair Usage Policy does not apply when using your iPhone on domestic WiFi. Note however that some domestic broadband packages have download limits and customers should be aware that using the iPhone to access the web through domestic WiFi will contribute to domestic data usage.
- 7. Inclusive Answer phone** - Includes calls made from your Orange mobile to your Orange answerphone in the UK only. Additional features, such as answerphone call return will be charged.
- 8. Inclusive Mobile Internet** - Mobile internet browsing applies within the UK only. Any use outside the UK will be charged at the relevant international rates. Mobile Internet browsing does not include event charges such as for ringtones or games (transport costs for these events are included). Not to be used for Internet Tethering (e.g. using your handset as a modem - separate Tethered Data bundles are available).
- 9. Mobile internet:** Additional mobile internet browsing is charged at £1/day. A daily flat rate of £1.00 per day applies for out of bundle data usage. This is subject to a daily fair usage allowance of 25MB, and a monthly download limit of 500MB. 25MB provides enough data for normal levels of email usage and browsing. However, for customers who are planning to download and stream data we would recommend that you take up one of our 500MB or 1GB data bundles. Please note, should you regularly exceed the 25MB daily fair usage allowance and as a result, you reach your 500MB limit before the end of the monthly period, network protection controls may be applied to your service. This may result in a reduced speed of transmission. See Inclusive Mobile Internet terms above for details of prohibited activities.
- 10. Tethering:** If you use tethering it'll cost a daily flat rate of £1 a day – that's in addition to any out of bundle charges for mobile internet as set out in (9) above. This is subject to a daily fair usage allowance of 500MB tethering. Please note, should you reach your 500MB limit before the end of the monthly period, network protection controls may be applied to your service. This may result in a reduced speed of transmission and/or disconnection.
- 11. Minimum call, text and other charges** – Once your allowance is used up, all calls are rounded to the nearest minute. Calls to UK landlines (as described above) and UK mobile networks are charged at 35p per minute and 35p to Answer Phone. Texts (as described above) are charged at 12p each. Picture messages are charged at 30p per message. Calls to call forwarding services (including those beginning 07), 08 and 09 numbers not included and charged at up to maximum of £2/min. Additional features, such as answerphone call return

will be charged. If you do not pay by direct debit or require itemised bills the charges set out in the Price Guide will apply.

12. Unlimited texts and landlines are subject to a fair usage policy of 3,000 texts or minutes per month. Orange fair usage policies vary from time to time. Usage above these amounts will constitute abuse and Orange may monitor usage and withdraw the benefit from your account.

13. No roll-over - unused benefits will not roll over to the next month.
